The fencing club training sessions are held every Wednesday from 18:00 – 20:00 hours. The fencing slot time during Monday lunchtime can also be used however, only with prior notification. Traditionally there will be no fencing during the vacation period July and August.

The ESA/ESTEC Fencing Club rules are available on [www.estecfencingclub.eu](http://www.estecfencingclub.eu)

The annual membership fee is to be paid at the beginning of every calendar year. Your membership is renewed automatically at the beginning of the calendar year, unless you notify the club's Secretary before 1 December in writing that you do not wish to continue your membership. Reimbursement of half the annual fee is possible if a member leaves the club before 1 July. Correspondingly, a member who joins the club after the summer break in September is obliged to pay only half the annual fee.

#### Fees:

First member	EUR 110,00 per annum
Additional family member	EUR 65,00 per annum
Guest member	EUR 110,00 per annum
KNAS membership - 2023 (age 21 years and older)	EUR 63,30 per annum
KNAS membership - 2023 (age 20 years and younger)	EUR 31,65 per annum

The ESA/ESTEC Fencing Club is a member of the Royal Dutch Fencing Association (KNAS). Each member of the ESA/ESTEC Fencing Club (except temporary members) needs to become a member of the KNAS in order to be covered under the KNAS collective liability/third party- and accident insurance. This is a request from SSCC in order to ensure that all club members are insured and to reduce the liability against ESA.

For all newcomers the first month (or 4 weeks) is considered a trial period. A fixed amount of € 20,00 will be due for this trial period.

The ESA/ESTEC Club's membership fee, or fee for the trial period, is to be transferred to the ESTEC Fencing Club account at the ABN AMRO bank account nr. **NL95 ABNA 0567 9090 18**.

Please submit this application form to the club's Training Officer, Fred de Leau, at the weekly training session, or e-mail: [freddeleau@gmail.com](mailto:freddeleau@gmail.com)
